Dear Brian,

I just wanted to let you know how pleased we are working with your company. Since we started using you 3 yrs. Ago for annual maintenance, we have found your people to be very professional and dedicated to detail as well as very friendly. Our recent replacement of a heat pump by your co. was handled very quickly and neatly. Your people are a pleasure to work with and a credit to your Co. Again thank you for your promptness and we look forward to working with you in the future.
